WELCOME TO THE BREVARD SYMPHONY YOUTH ORCHESTRA 2024-2025 SEASON

This season the BSYO celebrates its 41st season!

The mission of the BSYO is to cultivate excellence in young musicians through expanding school-based music education with diverse ensemble experiences, instruction by master teachers and professional teaching artists, and providing premier performance opportunities that enrich our musicians and inspire the community.

We have an exciting year planned, and we are so glad you will be a part of this celebration.

Our work together as an orchestra will add to your growth as a musician and create memorable performances for both you and our audiences.

At BSYO, we value:

- **Excellence** in striving towards the highest level of musical experience
- **Collaboration** between ensembles and with diverse groups in the community.
- **Creativity** in helping each child find their voice.
- **Engaging** the interest, energy, and minds of young musicians.
- **Inclusion** as we welcome young musicians of all cultures, ethnicities, experiences, gender identities, sexual orientations, and financial means.
- **Individual responsibility** as a cornerstone of personal youth development.
- Promoting **teamwork** as a function of orchestral success.
- **Support** for an environment which creates exceptional opportunities to teach and play music.

OUR GOALS...

To offer access to high-level training and performance opportunities.

To develop technical, interpretive, listening, and performance skills.

To work with professional musicians and collaborate with other cultural organizations.

To complement and support the extraordinary efforts of our community's public and private music educators through collaboration with the Brevard Symphony Orchestra, its musicians, and conductor.

This handbook will serve as your guide to a successful season.

ABOUT THE BSYO

The Brevard Symphony Youth Orchestra was formed following the successful implementation of the Itinerant Strings Program in the Brevard County Public Schools. The Brevard Public School Board in collaboration with the Brevard Symphony Orchestra and Brevard Community College (now Eastern Florida State College), recognizes the need for the most talented musicians to have the opportunity to learn orchestral repertoire under the direction of a master educator and conductor. In 1984, the BSYO was formed as a single symphonic orchestra under the direction of conductor William Bertsch. Since that time, BSYO has played host to many master musicians and educators.

Today, in its 41st performing season, the BSYO boasts a membership of more than 150 students across four performing ensembles under an all star team of Conductors. Our talented young musicians range from grade 1st-12th representing forty public, private, and home schools.

A brief timeline shows our major achievements:

- 1994: Expansion to two groups, the Strings Orchestra and Symphony Orchestra
- 1999: Strings orchestra renamed Concert Orchestra and expanded to include winds and percussion.
- 2000: Development of a 3rd group, the String Ensemble, a training orchestra for young string students.
- 2003: pilot chamber ensemble program was launched
- 2006: creation of annual Concerto Competition and collaboration with the Brevard Children's Chorus
- 2007: development of sectional program with clinicians from BSO and Brevard Public Schools
- 2008: 25th Anniversary celebrated with 4 world premieres of original compositions & alumni play-along.
- 2009: innovative guest conductor residency to fill top orchestra conductor position
- 2011: Development of Music Mentors Program
- 2022: Addition of the Chamber Orchestra
- 2024: Merger with the Brevard Symphony Orchestra. 40th Anniversary Season.

In 2023-24, the BSYO celebrated its 40th Anniversary Season! Excitingly, the BSYO formally merged with the Brevard Symphony Orchestra in early 2024. This partnership presents various opportunities for our students to work in close proximity with professional musicians of the BSO, furthering our mission of providing top-tier musical experiences to students in Brevard. We continue to nurture this exciting relationship by building enhanced offerings for our students into the next season such as masterclasses, exclusive coaching, adjudicators, and guest lectures provided by BSO musicians. In addition to performing in our regular season concerts, the BSYO opened the Brevard Symphony Orchestra's *Musical Pictures* performances in March 2024. The students performed a commissioned work by talented composer, Laura Fleet Estes entitled *Celebrazione Sinfonia*, which showcased students from the youngest orchestra through the most advanced orchestra. Altogether, the concert featured over 130 students musicians on stage at the same time. In conjunction with this performance, the BSYO provided enrichment experiences for the Brevard Prevention Coalition's "I Choose Me" initiative, who presented their "I Choose Music" program on the same concert. We provided over 50 students from diverse backgrounds with musical games, fun crafts, and performing experiences as well as information about how to get involved with BSYO.

The BSYO is dedicated to providing dedicated young musicians with opportunities for personal and artistic growth through challenging rehearsal and performance experiences. In addition to making musical training available for young people, this vital arts organization serves the community by encouraging a greater understanding of and participation in orchestral music.

WHO'S WHO IN THE BSYO

Application fee: \$25 (BSYO Members may apply for free)

Admission: \$10 (BSYO Members may attend for free)

Masterclasses offer a unique opportunity for students to enjoy individual feedback from a professional musician while offering other students the chance to learn. Think of a masterclass like an open private lesson. Students may submit to perform at the masterclass working directly with the guest clinician, or they may attend the masterclass to learn from others. Masterclasses Invitationals are open to all students in the Brevard Community (applicants do not need to be members of the BSYO).

Concerto Competition

The Concerto Competition is held annually for advanced students wishing to compete for an opportunity to perform on the Spring Finale Concert with the Symphony Orchestra. Students must submit an application to compete. Following receipt of the application, applicants will compete first in a preliminary round (which may be unaccompanied). If they are selected to move forward, applicants will perform at a Finalists Recital in January, where the winner will be decided. The Concerto Competition winner will perform on the Spring Finale Concert with the Symphony Orchestra.

BREVARD SYMPHONY YOUTH ORCHESTRA

PERSONAL CONDUCT & ATTENDANCE POLICIES

Diversity, Equity, & Inclusion

The BSYO believes in the inherent dignity of all individuals and that the inclusion of diverse experiences and perspectives strengthens the organization and builds its capacity to welcome complex challenges, dismantle barriers, think critically, cultivate empathy, make good decisions and explore new opportunities.

The BSYO believes effectiveness, high performance and program excellence require an environment of respect and belonging, as well as equitable policies, fair and consistent practices, and meaningful engagement.

The BSYO believes in and respects diverse traditions, talents, voices, influences, heritages, beliefs, identities, opinions, backgrounds, attributes, skill sets, and experiences.

The BSYO recognizes the important contributions made by diverse peoples and strives to use music as a catalyst for community engagement and social understanding.

The BSYO believes that music must be available to all, regardless of cultural, geographic, or financial considerations. The organization fosters inclusion through access to music training and performance opportunities by ensuring that all qualified musicians may participate in the BSYO regardless of socio-economic circumstances.

The BSYO and all associated with the organization strive to honor diverse cultural values, to champion the dignity of all individuals and to act in ways consistent with organizational values.

CODE OF CONDUCT

BSYO members should conduct themselves in a professional manner at all times during rehearsals, sectionals, performances, and all other BSYO functions. This means alert, observant, and courteous attention, enthusiasm for the activities, and attention to all directions given by the conductors and staff. Failure to do so may result in immediate dismissal from the BSYO program at the discretion of the Conductors and Staff.

In some cases, BSYO staff may notify a BSYO member of an area for improvement in personal behavior. Members so notified must show improvement in the designated areas within a reasonable timeframe as determined. Disruptive behavior, sexual harassment, and drug use will not be tolerated. Members failing to comply may be immediately dismissed from the BSYO.

School Participation Policy:

The Brevard Symphony Youth Orchestra believes that school music programs are vital to the development of young musicians—educationally, artistically, and socially. By participating in school music programs, young musicians can serve as role models, receive leadership training and share their talents with others. Participation in the Brevard Symphony Youth Orchestra is designed to enhance, not replace, school music instruction. School music programs provide essential daily ensemble and rehearsal instruction required for serious musical progress. Students who enroll in the BSYO are required to participate in their school orchestra/band, if one exists.

Attendance:

BSYO students are permitted a total of two (2) non-consecutive absences per semester. There are no excused absences. Absence from Dress Rehearsal is not permitted, and the student will not be permitted to perform in that concert.

Re-admittance to the BSYO is at the discretion of the Conductor and the Director. Students may be required to demonstrate his/her ability to perform current rehearsal pieces.

We realize circumstances may arise during the season that prevent you from adhering to the attendance policy. We do not want any student to lose their seat in the orchestra if there is an unavoidable situation causing the absences. Please do not hesitate to call the Director, Rebecca Simons at 321.216.7804 or email bsyoinfo@gmail.com to discuss your situation and work out a reasonable solution.

Tardiness:

Students should arrive at rehearsals at least ten minutes prior to a rehearsal and be tuned and ready to play on time. You are late if you are not in your seat when the rehearsal begins. **Three late arrivals equals one absence.**

Use of Facilities

BSYO members will respect the rules, premises, and instruments found at all rehearsal and concert locations. When on site, members should not enter closed off areas, nor should they exit the property with an adult without explicit permission and accompaniment from one of the Conductors, Staff, or parent/guardian.

ENSEMBLE POLICIES

Auditions:

Auditions are required for all ensembles. If you need assistance in selecting an appropriate ensemble for your child, please email bsyoinfo@gmail.com. There is a \$25.00 registration fee for all auditioning students. Current members are required to re-audition every year. Audition material will be posted on the website in early May. Auditions take place in August.

Seating:

Each member's placement in the orchestra will be based upon audition results, degree of past participation, and leadership qualities. Individual assignments will be made by the conductor to best fulfill the needs of the orchestra. Members who do not perform to acceptable standards as set by the conductor will be reassigned or excluded from performances.

At the discretion of the conductors, changes of chair positions or rotation of parts may occur.

Members selected to fill vacancies in an orchestra after the initial auditions will be placed to fill specific vacancies or at the end of the section.

Rehearsal Etiquette:

In the spirit of a truly professional orchestra, musicians are expected to take personal responsibility for the following:

- Be seated, warmed up, tuned, and ready by the start time of each rehearsal and conductor's first downbeat.
- Have the current music in their folder and on their stand.
- Have a pencil for note taking
- Have extra instrument supplies in their cases (strings, reeds, mutes, etc)
- Refrain from the use of an electronic device during all rehearsals and concerts
 - *Electronic device usage is prohibited during rehearsals and concerts. You may use your devices before rehearsal and during the break. If device usage is observed, your device may be confiscated and then returned to you after the rehearsal/concert. A follow up discussion will take place with your parent/guardian, and disciplinary action may be taken for repeat offenses.*

General Member Guidelines:

- Bring all music, materials, and a pencil to every rehearsal, and come musically prepared.
- Arrive 10 minutes before rehearsal begins so that your instrument is ready, music is set up, and you are ready to begin.
- Make rehearsals a priority by honoring the attendance policy.
- Being a Section Leader/Principal is an honor to earn that comes with a higher level of responsibility. These students must be available for all rehearsals, and the conductors consider them assistants. They will be expected to model excellent attendance, attitude, leadership, discipline, and cooperation.
- Respect all members' desire to participate fully without distraction. If your behavior becomes a distraction, you will be asked to leave rehearsal.
- BSYO is a guest at rehearsal and concert facilities, and all BSYO members are expected to abide by all facility rules and regulations.
- Food and drinks (except water with a closed lid) are not allowed in the rehearsal rooms.

- Pick up all trash around the rehearsal room, and return extra music at the conclusion of each rehearsal, sectional, or concert.
- BSYO makes all information about rehearsals, concerts, special events, and changes available to its members. It is the responsibility of the parent and/or student to obtain this information and to be aware of any changes. This information is electronically provided for all BSYO ensembles through weekly emails.

POLICIES AND AGREEMENTS

Media Release & Hold Harmless Agreement

The Media Release and Hold Harmless Agreement gives BSYO Members legal permission to work with BSYO and releases any liability from BSYO. This agreement also provides BSYO staff members and volunteers access to BSYO Member medical information, in case of emergency. This agreement must be submitted by the first rehearsal.

From time to time, member activities or achievements warrant public praise and acknowledgement. The Consent Agreement gives BSYO worldwide right and license to use photographs, videos, likeness, and any other words and symbols that identify the student orchestra members in the advertising and promotion of the orchestra in any medium, without restrictions as to frequency. This agreement applies to both web and print and must be submitted by the first rehearsal.

Harassment Policy

BSYO is committed to maintaining a positive learning and working environment, free of harassment or discrimination of any kind. BSYO will not tolerate harassment by or toward its students, conductors, staff, or any other individuals associated with the organization. BSYO considers harassment to be any online, social media, verbal, or physical conduct that creates an intimidating or hostile environment based on race, national origin, gender, age, religion, creed, disability, sexual orientation, or status as a Veteran.

BSYO will promptly respond to complaints of harassment and where BSYO determines that harassment has occurred, will impose any necessary corrective action. In the case of students, corrective action may include being asked not to play in certain concerts or being asked to leave the program. In the case of BSYO staff, corrective action may include disciplinary action, including termination.

Sexual Harassment Policy

BSYO does not tolerate sexual harassment towards its students, conductors, staff, or any other individuals associated with the organization. BSYO considers sexual harassment of any kind to be a serious offense and is committed to maintaining an environment free of harassment. BSYO will promptly respond to complaints of sexual harassment and, where BSYO determines that sexual harassment has occurred, will impose any necessary corrective action. Sexual harassment can be physical, verbal, and/or psychological. Sexual harassment includes behavior between members of the opposite sex or between members of the same sex. Employees, contractors, students, and volunteers of BSYO are prohibited from engaging in sexual harassment of any kind in any setting associated with BSYO.

If any individuals associated with BSYO believe they are the victim of sexual harassment, they should as soon as possible inform the harasser(s) of their unease with/disapproval of the behavior (if possible); and report the incident(s) to the Director, Conductor, or any other member of the Artistic Staff. All information will remain absolutely confidential. BSYO will use its best efforts to complete any sexual harassment investigation within one week of receiving any complaint. BSYO will not tolerate retaliation against anyone for complaining of sexual harassment or cooperating in any investigation of sexual harassment.

SPECIAL INTEREST

Communication:

Communication with musicians and their families is essential to BSYO's success. To enable good communication, we ask that you keep the BSYO staff up to date on changes in email or home mailing addresses.

BSYO Weekly Newsletter

Sent out each Wednesday afternoon, these emails contain important information for the rehearsals/performances and contain reminders on due dates and policies. Please read these emails as they contain imperative information for your family, and ensure that "bsyoinfo@send.mailchimpapp.com" are not blocked as spam.

Family involvement/Volunteering:

Families are important partners in their musician's participation and development through BSYO programs. Student success at BSYO is a direct result of dedicated parents/guardians who help their children understand the importance of practicing, being on time, and contributing to the ensemble.

Volunteerism drives passion! Come join the ranks of helpful parent volunteers and lend a hand. When you go behind the scenes of BSYO and get involved, you meet new people, discover new talents, and help produce large-scale events for your community.

Here's how you can help:

- **Rehearsal Set-up and Break Down:** Setting up four ensembles every Monday evening takes a lot of work! If you are able to arrive early or stay late, we can use as much help as possible setting up or striking chairs and stands. Talk to your student's Conductor about how you can assist.
- **Fundraising:** BSYO holds a number of fundraisers in which we invite families to get involved. Please contact the Director with your desire to assist.
- **Concert Production/Concert Hospitality:** BSYO concerts and events demand a need for volunteers. If you are interested in helping run informational tables, merchandise sales, working backstage, or passing out programs, please contact the director. Additionally, BSYO sets up the stage and strikes after each performance. Strong arms are always needed for moving equipment!

Community Service Hours

Due to time commitment involved in rehearsing and performing with the BSYO and the immeasurable effect the concerts have on the Brevard Community, we are pleased to offer students community service hours for a full season with the BSYO, as well as additional opportunities to earn hours for backstage, administrative, and fundraising duties. If your school accepts hours from BSYO as community service, please track your hours. We cannot guarantee that your hours will be accepted by your school. Please check with your advisor as to whether or not your time with BSYO counts toward your volunteer hours.

Scholarships and Awards

BSYO offers hardworking and talented students awards and college scholarships. All awards are presented at the Finale Concert.

- **Music Makes a Difference Scholarship:** This scholarship is awarded to a graduating senior who has best served the community through the medium of music. This award is generously funded by

Scott and Tina Apelgren. The purpose of this award is to recognize students who serve their community by sharing their musical abilities with others for the enrichment of the human spirit.

- Concerto Competition Award: Awarded to the winner of our annual Concerto Competition.

Private instructors

BSYO maintains a list of all musicians' private instrument teachers in order to both recognize their hard work in the annual BSYO program and to provide a resource for the community. Please keep the office up to date on any changes.

- Help your student remember to bring a sharpened pencil to each rehearsal.
- BSYO communicates with our students and parents via e-mail.
- Please notify us promptly of any email changes.

- **Planned Giving:** Looking for a way to leave a legacy and help generations of future young musicians? Consider making a planned gift to BSYO. The most common and easiest way to make a planned gift is a bequest to BSYO in your will.
