Dear Sir/Madam:

The BSYO has been sharing the love of classical music with the youth of Brevard County for 35 seasons. We strive to provide fun and engaging rehearsals that teach students to play as an ensemble with other motivated students.

The Executive Director and our Board of Directors volunteer their time for this worthy non-profit organization. Last year, we had over 100 public school young musicians participating in this program. We enhance the school music program by offering an opportunity for students to play in an orchestra and offer free concerts throughout the year. We have 4 dedicated conductors and volunteers that support the program. In addition, BSYO holds a weeklong summer string camp for students of varying levels. This summer 102 students attended this wonderful day camp.

Tuition is \$350 a year for weekly rehearsals and participation in concerts. Expenses are mainly the cost of conductors, renting rehearsal halls, concert set up, office expenses and music rental or purchase. It is our goal to keep the tuition affordable and our expenses low. This goal would not be possible without the help of "Friends of the BSYO" who contribute to the organization.

Please consider providing support through an annual donation to the Friends of the BSYO. Your tax-deductible gift will be used to support the orchestra directly. We would appreciate your completing the enclosed form and returning it to the BSYO so that your donation will be acknowledged correctly.

We invite all members of the community to join us for our free concerts scheduled for:

Sunday, September 23 at 3:30 pm
Cultural Arts Showcase at the King Center- free concert
Saturday, November 17 at 8:00 Pm
Side by side with BSO at the King Center
Sunday, December 9 at 3:30 pm
Free Concert at Holy Trinity Episcopal Academy
Sunday, March 3 at 3:30 pm
Free Concert at Holy Trinity Episcopal Academy
Sunday, May 5 at 3:30 pm
Free Concert at Holy Trinity Episcopal Academy

We look forward to your continuing support,
BSYO Board of Directors
